Dear Parents,

Welcome to second grade at Sacred Heart School. My name is Mrs. Mountain and I am a new member of the Sacred Heart community. It was such a pleasure to meet all the second graders today. We had an enjoyable first day of school, one that was busy with organizational tasks, reading, writing and Religion. Your child is busy making an All About Me packet that I hope can be shared with everyone Friday afternoon. We had discussions about summer vacation and read What I Did On My Crazy Summer Vacation. We talked about prayer and made prayer crosses to hang on our bulletin board. The day flew by. I had an enjoyable first day and I hope the children had one as well.

Starting next week the class will be on a more structured schedule. The day will be full of learning which will extend to the home each night. Your child will have Math or Spelling homework and read nightly for twenty minutes. One way you can help your child is to ask questions after their reading (Who, what, where, when or why) about their reading to ensure reading comprehension.

I will send home notices every Friday that will be a recap on our week. If there are any questions or concerns feel free to email me anytime.

I look forward to a successful and exciting year as your child grows spiritually and academically.

God bless,  
Mrs. Mountain
