

Dear Parents,

Welcome to 3<sup>rd</sup> Grade! I am looking forward to a great new year with you and your children.

In third grade, we will continue practicing our cursive skills in handwriting. We will continue to master our language arts skills along with phonics and spelling. In Math, we will begin to learn multiplication and division operations. We will continue to review and master the basic addition and subtraction skills. In Religion, we will continue to grow and become a disciple of Jesus. We will also be concentrating on learning the Apostle's Creed as part of our daily prayers.

I am looking forward to this wonderful journey with your children.

Sincerely,

Mrs. DaSilva
